

Badge testing procedure/rule:

- Badge testing at 1:30pm
- First-come-first-serve basis;
- Put name in testing binder with what badge a week before
- Must understand the requirements before taking test; if during testing, does not understand the requirement, test will be fail;
- if test is incomplete, can retest the following week;.
- Badge testing progress will be monitored closely, if no progress in every two months, scouters will meet with them to understand what's going on.
- Make sure OAS requirement is printed and available for tester.
- Cubs can only earn badges after they have been invested.
- Quickly go over sample OAS stages and Personal Achievement badge requirements."

Notes

- all members and Seconds to complete minimum of 4 OAS and 1 Personal Achievement;
- Sixer to complete minimum of 4 OAS and 2 Personal Achievement;
- things that were done before joining as a cub are not counted;
- if requirement says you need to do two hikings, you must know the details such as location and date of the activities and have a leader confirm it
